MINISTRIES

"Taking the gospel where it has never gone before"

April 2016 www.jdevineministries.com P.O. Box 7138 Rainbow City, AL 35906-7138

We are farming now! Thanks to the hard work and generous contributions of Darren and Adriana we now have the beginning of our farming project. Since food cost is about 60% of our income at the present, this is a great blessing. Darren took a course on aquaponic farming and prepared to set this up for us. We will soon be harvesting much of our vegetable needs. Our little farm has been threatened several times by storms and high winds; therefore we look forward to building a permanent structure when we have our own land.

We are looking for the land to begin building the Home of Hope facility and we will build more gardens and green houses. We will also be adding fish farming which will provide food as well as completing the aquaponic eco system.

We officially have our foundation set up and recognized by the government. We picked up the paperwork and now have our tax ID number. This gives us legitimacy with the Thai government to expand, rescue children, buy land and conduct our ministry with many legal protections.

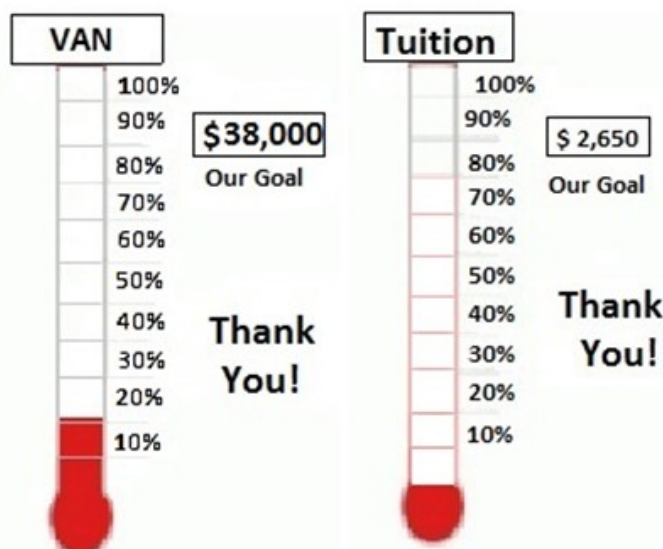

I know that many doors will now open for us to expand so that we can fulfill the vision that the Lord has given us.

We prayed for like minded teammates that share the call and vision that the Lord has given us and He answered our prayer with Adriana from Colombia and Darren from Australia. **We are not just looking for a group of people to support and help us, we are looking for a team of leaders to collaborate with us and create together. A team to fulfill the vision that God has given us for Thailand. Praise God, He is bringing our team together!** We know that others will come when the time is right.

Thank you to all our faithful partners for your prayers and financial support. Please pray with us for the land needed to expand and fulfill the Lord's vision for Thailand. Together we will rescue a generation of children who have been thrown away. As we love, provide for and disciple them, they will be the future of Thailand for the glory of God.

Bless you,
The DeVine Family
