

Mark 16:15

15 And He said to them, "Go into all the world and preach the gospel to every creature."

Matt 28:18-20

18 And Jesus came and spoke to them, saying, "All authority has been given to Me in heaven and on earth. 19 Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." Amen. NKJV

This month our ministry was very blessed to have the opportunity to preach the gospel to many people in areas we haven't gone to before; some of those people had never heard the name Jesus. We are grateful for the mission team that has come to serve alongside us for 6 weeks as they have blessed many Thai people in telling them the Good News.

I have seen many exciting things happen in the past few weeks, maybe even too many to talk about in one short letter; but I can say my most favorite thing this month was ministering and praying for the sick in the hospital. The first time that our family and people from the local church went into the hospital, we laid hands on and prayed for several infants and toddlers. The next time we went, Daniel, a man from the church told me that all of the children and their families left the hospital the very next day because they were completely healed. This made me very happy that we were able to touch these people's lives through our visit. One woman who had never heard of Jesus accepted Him as her Lord and Savior; other people were very curious about the gospel, and asked us many questions.

Ministering and praying for people in the hospital

We have gone to several villages and proclaimed the gospel, given out hundreds of tracts, and shared testimonies of how Jesus has changed lives. I believe many people were touched as they have never seen anybody reach out to them like this before.

I would like to encourage everyone to minister to people wherever you go; it may be another country, or even the super market. We each have a story inside of us- our testimonies- which can be a very powerful tool if we just share it. We need to stir up the faith within and let the Holy Spirit work through us- a word that was preached last Sunday by Josiah, which I believe was a timely message.

Thank you to everyone who has given towards my and Arisa's campaign. We are so grateful for every donation that goes towards our goal. The two of us plan to work and give everything we can to this also, and any other help is greatly appreciated.

May God bless you,
