God has a plan for Thailand!

We are so blessed to have Jonathan Latta and Josiah Wright from Charis Bible College, Colorado come to serve for 6 weeks with our ministry. They came here to gain experience in preparation for life on the mission field. Josiah is called to Japan and Jonathan is called to Asia and will most likely be based in Hong Kong.

I immediately put them to work helping to replace the screens on our upper floor; high winds had torn up the old ones.

We all hit the ground running as we did outreach programs in villages near a church that we help support. We boldly proclaimed the gospel to hundreds that had never heard it before.

A local government hospital invited us to set up in their front foyer to praise and worship and to proclaim the gospel. We then walked around the hospital and ministered to sick people. We saw many healed and they all heard the amazing good news of the gospel of Christ for the first time.

Surveys say that 25% of the people in Thailand have never heard the name Jesus. I have always thought that was strange, but to my surprise I actually met one of those people. We had ministered and prayed for everyone in one large room and were about to leave when someone said, "Hey, we missed one, there's a lady over there that has been listening to everything we've said but no one has ministered to her personally." She had been straining to hold her head up and listen intently to everything we had been saying to others. When I began to tell her about Jesus, she said she had never heard of Jesus before. After explaining to her that Jesus loves her and wants to heal her she asked for prayer for her leg. She had been in an accident and had surgery on her knee. She could not stretch out her leg. After prayer she began to stretch out her leg almost completely. She smiled and said, "I could not do that before and it doesn't hurt anymore." I then explained to her about the salvation and a personal relationship with God that Jesus provided. She said she believed and wanted to accept Jesus as her Savior. **She prayed from her heart in her own words, repented of her sins and asked Jesus to be her Lord and Savior. PRAISE GOD!**

I have seen many miracles, but the most amazing miracle of all to me is when someone believes the gospel and their heart is changed; when they are translated from the kingdom of darkness into the kingdom of light. That precious lady was born again right before our eyes and became a new creation.

We ministered in markets, singing and drawing crowds, we then boldly proclaimed the gospel.

There is so much that has happened, I cannot possibly tell it all here in this one newsletter. Please visit our ministry Facebook page [HERE](#) and see many more photos and videos.

Jonathan blessed us by making a video which explains much of the vision the Lord has given us for reaching Thailand. Please view this short video [HERE](#) and see what the Lord desires to do in this nation and how you can help.

We are so thankful to all our faithful partners that support us and make all these wonderful things possible.

God has given us an extraordinary vision for reaching Thailand with the gospel. He has also put in our heart the steps we should take in order to launch this vision. I will give you more details later about what exactly those steps are. Please pray for us; pray for the lost souls in Thailand.

If you would like to be a part of reaching Thailand with the gospel, rescuing abandoned and orphaned children and changing a nation in an amazing extraordinary way, please consider partnering with us. Will you help us reach thousands of lost souls with the gospel?

Bless you,
The DeVine Family
