Here's what's new with Arisa and Ariya DeVine...

This month, Arisa and I had an awesome time celebrating our 15th birthday. We were able to go to new places, and experience great things; some of which we had never done before. We went rock climbing, white water rafting and we met some new people. We even got to ride some elephants!

All the while, we kept our hearts open to minister to anybody to whom we felt the Holy Spirit lead us. We met one taxi driver in Bangkok who told us about how much his foot hurt from driving all day long. He said it was swollen and was constantly throbbing. Arisa offered to pray for him and he accepted. She laid her hands on his shoulder, and as he kept driving she prayed aloud. Afterwards, we told the man to believe, and with his faith, he could be healed through the power of Jesus Christ. He thanked us and we gave him our contact information; we told him if he wanted to know more about Jesus, just call us. As we got out of the taxi and went our way, I felt happy knowing that a seed had been sown in that man's heart. He had probably never met any customers like us before. I pray that someone will come across his path one day and continue to sow seed, and possibly reap the harvest.

Everyday, we are reminded of how blessed we are to have a wonderful and loving family. A family that comforts us, encourages us, and cares for us. Together, we can do great and amazing things; all the while having fun as well.

The boys are progressing very well in their learning. They are always happy to listen to Bible stories and to learn English. We are so happy that David and Tunwah came into our lives, and have impacted us in so many ways.

We'd like to thank all of our partners who made this possible; that we are able to take in and care for abandoned and unwanted children. Now these precious kids can experience the love that was intended for them by a mother and a father, and can receive the love of our Heavenly Father as well.

May God bless you all abundantly,
Ariya and Arisa DeVine
