We are praising God for all He has done this past year and we are looking forward to the New Year. The Lord has put in our heart that it is time to start building our team this coming year. We pray that anyone who has this vision in their heart, is called to rescue children, spread the gospel where it has never gone before, disciple believers and bring the light of God into Thailand will contact us. We want to hear from you so we can begin making plans for working together in this wonderful ministry of the Lord.

The Lord has done so many wonderful things this past year through this ministry. Here are just a few highlights:

January: We started teaching our Home of Hope children at home using Christian curriculum from the US.

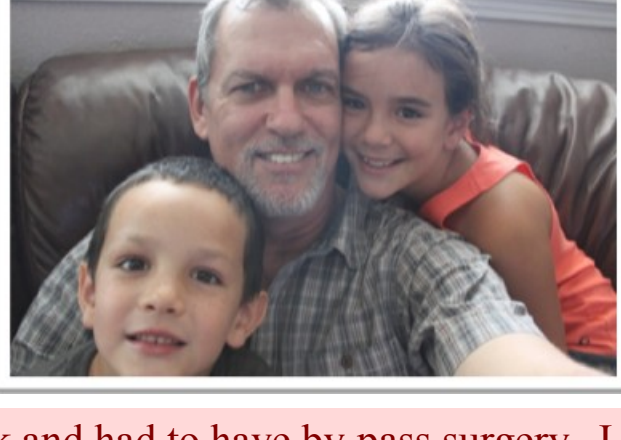

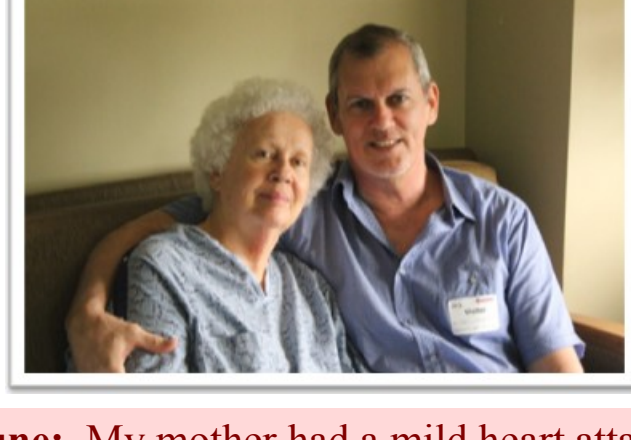

February: We were so blessed to be able to rescue two precious girls, Ann, who was abandoned and Nadia, who was orphaned and homeless.

March: We went for educators training in Bangkok with the School of Tomorrow, so that we can officially launch GRACE CHRISTIAN SCHOOL. At this time we are using the school only for our Home of Hope children but we will open it up to the public once we are in our new facility.

April: We received our educator's certificates and launched the school. We also announced the need to be able to set up our foundation for the ministry.

May: Praise God for His abundant provision! We had announced the need for \$8,000 to be able to set up our ministry foundation and one of our partners provided the full amount. What a blessing!

June: My mother had a mild heart attack and had to have by-pass surgery. I made arrangements immediately to go to be with her. She went through the surgery well and with the Lord's healing; she quickly recovered and is now doing great! The trip was totally out of our budget, but the Lord provided everything needed. It was also such a blessing to spend time with my sweet grandchildren.

July: I was so blessed to be able to spend a month with my mother. God reimbursed all the expense for the trip, even before I left the US. We announced plans for expansion and started laying out plans for when the foundation was approved.

August: We completed all the paperwork for the foundation and sent it to the lawyer for approval. We celebrated birthdays for Ann and also Arisa and Ariya. Tunwah went with Mew to visit her mom and dad. Tunwah ministered to people in the village and prayed for a lady and saw her instantly healed.

September: We celebrated our sixth anniversary of being in Thailand full time and we praise God for the precious children we have been able to rescue.

We have led these children to the Lord, disciplined them and given them the love and hope that every child deserves. We have been the hands of God in caring for these children.

"When my father and my mother forsake me, then the Lord will take care of me."

Psalm 27:10 NKJV

October: The children are making amazing progress in school. All these cards represent scriptures memorized, books read and goals achieved.

We finally received the completed paperwork from the lawyer's office for the foundation and everything is now in the hands of the government for approval.

November: We were blessed to work with a visiting missionary family. Over 1000 young people heard the gospel for the first time. David and Tunwah were able to participate and minister as well.

Nadia and Tunwah were baptized!

December:

So much has taken place this past year. The Lord continues to provide and bless us everywhere we go and in everything we do.

We are so thankful to all our faithful partners for your prayers and financial support. We could not do all this without you. I believe this coming year will be the best year ever and we pray for each and every one of our partners that the Lord will bless you abundantly, that you may prosper in all things and be in health, just as your soul prospers.
