MINISTRIES

"Taking the gospel where it has never gone before"

December 2014 www.jdevineministries.com P.O. Box 7138 Rainbow City, AL 35906-7138

This year we celebrated five years in Thailand taking the gospel where it has never gone before. So much has happened in our lives and in the ministry. We praise God for His faithfulness as we look back at all we have experienced in just the past year.

**One year ago:** Thailand was in turmoil once again with riots which resulted in the army taking over and declaring martial law. They eventually removed the prime minister and the military has been in control of the government since then.

Even though the political situation was in turmoil, we went forward teaching and reaching the lost with the gospel.

**January:** God blessed the Home of Hope with Tunwah. Now we have rescued 2 little abandoned and neglected boys. **Today Tunwah and David both have a wonderful relationship with the Lord and they participate with us as we share the gospel with others.**

**February:** As we helped a local church with "feed the poor" outreach we also announced the need for a place to grow. We were becoming too crowded in our home, in order to more effectively reach out, disciple new believers and rescue more children we needed a larger facility and land to begin the first phase of the Home of Hope construction.

**March:** We began to work on the plans for the new facility.

Here's what's new with Arisa and Ariya...

**April:** The girls launched their own newsletter, giving their readers a view of life on the mission field from the perspective of a teenager. **You may subscribe to their newsletter at:**

**June:** We happily announced David's baptism. We also saw many healing miracles as we ministered to people in the parks and around the city.

**July:** We planned and developed several new dramas to use as we present the gospel in schools and on the streets. **"Nothing can fill the void in ones heart except Jesus."**

**August:** As we celebrated the girl's 15th birthday we also celebrated the blessing of being together and in unity as a family on the ministry that God has called us to.

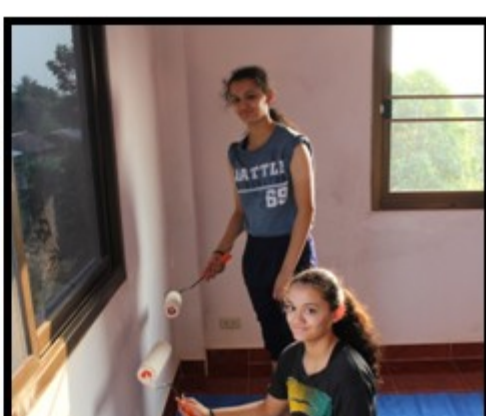

Chuck and Krissie Cilano, true faithful friends.

**October:** God led us to a new area and a big house so that we can grow. What a blessing! **We have already had so many divine appointments with people here in Nong Bua Lamphu and we have started teaching and ministering.**

**God has brought us to an area where we can truly grow.** We are now working with other believers that share our heart for rescuing abandoned and orphaned children.

**November:** Praise God! After lots of hard work, we moved into the new facility. Here we have the room to teach and disciple many new believers. We have room for more children and we are looking in this area for the land we need to build the first new home for the Home of Hope. We believe soon we will need others to answer God's call to come join us and help us rescue, care for, teach and love many more hopeless, abandoned and unwanted children.

As these children grow up knowing the Lord, we will truly see the light of God shine throughout Thailand.

We are so thankful for all our faithful partners that have supported us in prayer and financially. You have made all this possible. Together we are taking the gospel where it has never gone before, together we are changing a nation, together we are changing lives for eternity. Think of the wonderful fruit we are storing up in Heaven: people, God's most loved and valued treasure.

Bless you,
