"Taking the gospel where it has never gone before"

February 2017 www.jdevineministries.com P.O. Box 7138 Rainbow City, AL 35906-7138

This month we have finished 11th grade, and are continuing to take steps in preparing for college. Last month, we announced that Arisa and I would be setting up a GoFundMe account so that we may study physical therapy in Alabama and also attend Charis Bible College, Colorado. I am happy to say that it is all set up and if you would like to help us, you may click on the picture:

Our goal to reach is \$23,500 for the first two years of college (this is the new amount now including the GoFundMe fee). We plan on starting in 2018. This includes college tuition, books and equipment, and other costs of living. Our newsletter goes out and is seen by nearly 100 people through email and Facebook. If each person could give \$235 toward this we could meet this goal. That's only \$19.58 a month each for 12 months.

There are other costs too, but we plan on working to help support ourselves as much as possible while we are there.

We have a huge plan from God for Thailand, which I believe can be accomplished through our ministry. I want to make a lasting impression in this world, and I am terribly dissatisfied with just existing. Lost potential is one of the saddest things that happen unfortunately; but I am determined to not let that happen to me.

I encourage everyone to seek God's plan for their life and step out in faith to do it. This will not only change *you* as you are taken out of your comfort zone, but your relationship with God will grow closer than ever.

We celebrated David's 12th birthday on the 7th of this month. He was so happy to receive his gifts.

David has been with us for 3 years and 8 months (since June 29, 2013). He has grown and matured so much, it's hard to realize it until we look back at old photos of him. He is becoming a bold, godly young man that loves to tell others about Jesus and aspires to be an evangelist one day. I want to thank our partners that supported and enabled us to bring David into our home and family. He is now one life changed for the better of Thailand, and I believe there will be thousands more that will follow.

Thank you to everyone who is a part of what we're doing here. May God bless you abundantly.
