MINISTRIES

"Taking the gospel where it has never gone before"

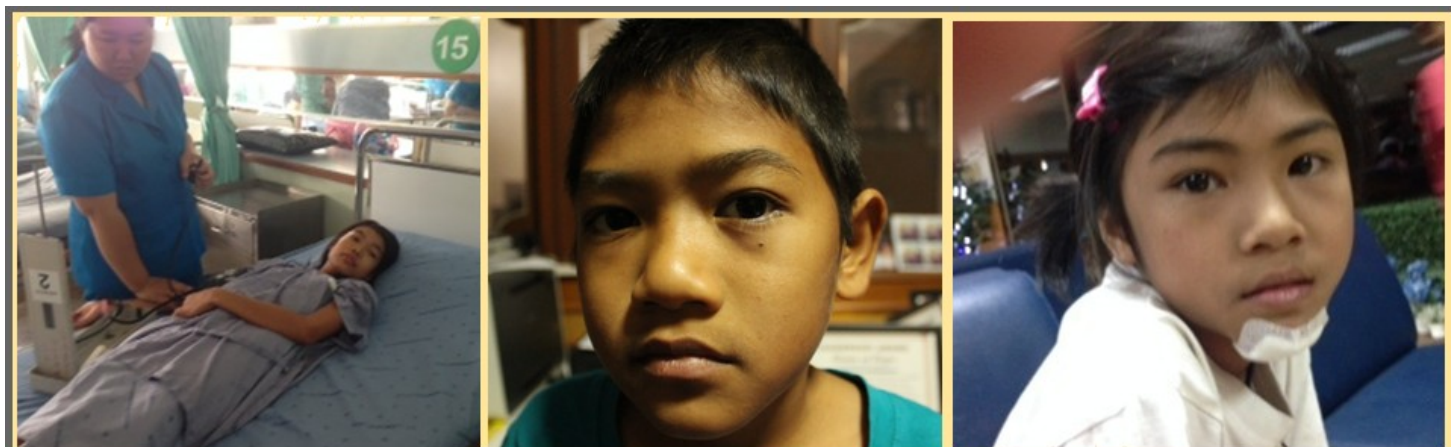

January 2016 www.jdevineministries.com P.O. Box 7138 Rainbow City, AL 35906-7138

Another wonderful celebration! We started this month on the 1st with Tunwah's 7th birthday. He's grown so much, it's hard to believe he's been with us for 2 years.

We have great expectations for all the wonderful things we believe the Lord will do this year through this ministry; however, immediately it seemed we were under attack. Right away on the morning of January 1st, Ann was playing in the yard when she fell and cut her chin. We had to go to the hospital; she needed 6 stitches. Next Nadia had to go to the doctor because of severe stomach pain. It turned out she has an ulcer, then she started complaining of pain in her ears. She has had an ear infection for some time, but had never told us about the pain. She had to go to the hospital for an operation on her ears. Next David developed a sty in one eye and after several treatments, the doctor said he needed to treat him in the hospital, so next week we will be in the hospital again. The rest of us are all fine, but the medical bills have certainly affected our finances. We are trusting God for healing and provision.

God has put in our heart to be more proactive in proclaiming health and protection over our family daily.

Praise God we also have good news: we had a wonderful visit from a friend from Australia, Darren and his son Daniel. Darren is studying by correspondence in his first year at Charis Bible College Australia. He came to spend some time with us and to hear more about our vision. He plans to come to work with us for a week or so every couple of months.

We have heard from several others who are making plans to come join our team as well.

What a blessing it is to see God drawing people who share our calling and vision to reach the lost and to care for abandoned and orphaned children.

We have been doing outreach in a local park, singing praise and worship, ministering to people and passing out tracts. I have run out of the tracts that we produced. I would like to have more printed, but the cost is \$300. We are trusting God for the money to have more printed, if it is His will for us to continue using them. I have been told by several people that our tracts were very powerful and that many people have been motivated by them.

We had a fellowship dinner with many of our friends on our roof a couple of weeks ago. Arisa and Ariya played and sang worship songs and we shared with the group about our vision; it was a wonderful time of food, fun and fellowship. We praise God for His faithfulness. He is always with us and always provides. We also praise God for our faithful partners. It is only through your prayers

and support that we are able to do all that we are doing. Thank you all so much for helping us reach the lost. Every step we have taken, we have increased by 100%; I know this year will be an amazing year of increase as well.

Bless you,
