January was an amazing month for ministry! For a couple of months we have been planning for Sean Michaud to come to visit us. Sean and Lisa Michaud founders of [Kingdom Equippers Ministries International](#) travel all over the world preaching and teaching the word of God.

They taught some of my classes when I was at Charis Bible College and they are partners of our ministry; they have been such a blessing to us.

Sean was on his way to India to minister and decided to visit us; this was Sean's first trip to Thailand and although he was fine with just visiting us and hanging out for a few days, we wanted to give the Thai people the opportunity to hear his teaching. We contacted some of our friends in Bangkok, Dr. Youngyuth and his wife Weena who were able to open doors for Sean to minister in 4 churches: Jaisamarn, Living Stream, Hope of Bangkok and Sadudee Church. We also had a large meeting at Bangkok University in one of the auditoriums.

Worshiping the Lord Together

We had crowds of several hundred at every meeting. Sean taught about God's unconditional love, the authority of the believer, God wants you well and how to minister healing. After Sean taught the believers that they are called and anointed to lay hands on the sick and see them recover, the believers began to lay their hands on the sick and many people were healed. Sean and I did not have to personally pray for everyone because he taught from the Bible that it is not by our power or based on our goodness, it is because of God's goodness that He touches people through us. We also saw about 25 people give their life to Christ in one meeting. **It was awesome!**

Many came forward to receive Christ

Miss Yao interpreting

We are thankful for another good Thai friend of ours Miss Yao, another graduate of Charis Bible College, who was with us and served as an interpreter for Sean at several meetings.

After a week of many meetings in Bangkok we went back to Nong Bua Lamphu. On Sunday, Sean taught in our church about 40 km. away in another town, and then had two meetings with many of the church members at our local church in our town. The church members called for their friends and neighbors who did not know the Lord to come and hear the word and to be healed. There were more miracles and amazing things that took place than I can tell you about here. Watch for our newsletter next month and I'll tell you more about the amazing miraculous healings.
