Many people have responded to our last newsletter with encouragement and support. We praise God for what He is doing here in Thailand through us. Many have responded over the last year expressing an interest in coming to join our team. Unfortunately we are not in a position to accommodate them. Until we have the land and are able to build the first phase of the Home of Hope, we have no place for them to teach, rescue children or be a part of fulfilling the vision the Lord has given us. Laborers want to come and we are ready to grow, we are just waiting for the provision to go forward.

To our faithful partners:

Thank you so much for your generous and faithful partnership.

We could not do this without you. We want to assure you that we are not trying to "squeeze" more out of you. **It is obvious that you share the vision of reaching Thailand for the kingdom; your faithful support proves that.** However, we need more partners like you. **Please tell others about what we are doing,** tell them about what you are a part of; give them the amazing opportunity to join us. I believe people will respond for at least 2 reasons.

1-Because they know your heart and trust you that if you are sowing into a work it must be good ground. Then they can check us out for themselves.

2-It will touch their heart and they will want to partner with us because they share this vision to see the lost people of Thailand come to know the Lord, and orphaned and abandoned children rescued and cared for.

Just as Paul so eloquently explained, *"How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard?"* (Rom 10:14) Likewise, how can people partner with a work of God if they don't know about it?

Please help us spread the word. Ask others to prayerfully consider becoming a partner with us.

To everyone who is not already a partner:

Approximately 80% of the people who receive our newsletter have never partnered with us. We continue to send you newsletters because we want you to see what the Lord is doing and praise God with us. **We give the Lord all the glory for the wonderful work He has done here through us.** We also hope that you are praying for us. **We appreciate your prayers, they mean so much and they are powerful.**

"The effective, fervent prayer of a righteous man avails much." (James 5:16b)

Grace Christian School and Home of Hope

We are also giving you the most amazing opportunity ever.

The Lord has called us to fulfill an amazing vision for the kingdom. Thailand has over 1000 children abandoned and orphaned every year; that's over 3 per day. **God has called us to rescue all those precious children, to love them, disciple them and raise them to live a life that glorifies God.** We have 4 such children in our home right now. **We are also going to build a Christian International School.** Through this K-12 school children will receive a high quality Christian based education and will also be disciplined in the word of God. Through the Home of Hope and Grace Christian School, we will have the opportunity to disciple literally thousands of children. **We are going to have an impact on Thailand like never before.**

Home of Hope Family Housing

Grace Christian School will be an excellent evangelistic tool and we expect that through the tuitions, it will be totally self sufficient and most likely be a big support for the rest of the ministry.

The Lord showed me many years ago that my pursuit of money and material things was futile. All the material things that I collected in my past and all the money that I once had are long since gone. When I think back, I realize that all the cool cars and motorcycles that I once spent so much money on are now gone. Material things are only temporary; money is only temporary. Even the land and facilities that we are planning to build are temporary; they will all be gone some day.

You see, it is not about the buildings and the land, it is not about the money we need for all this; those are only tools to use to reach, care for, and disciple people. The souls that are rescued out of the kingdom of darkness and brought into the kingdom of light will last forever.

I am offering you the opportunity to use your money, that is only temporary, and help us save souls for eternity. I know there are children out there who are perishing every day. Children who are orphaned, abused, sold and abandoned every day. God has put in our heart to build a facility suitable to rescue every one of those children.

I ask you to pray, ask the Lord if this is a ministry worthy of your time, your prayers and your support. We are asking you to partner with us and help us rescue children, help us take the gospel where it has never gone before, help us expand the kingdom of God; help us save souls for eternity.

Bless you,
The DeVine Family
