

AWESOME NEWS! When our friends from CBC Colorado were here we went to the hospital to minister and pray for the sick. We saw many miraculous things take place before our eyes, including a lady that had never heard of Jesus before, gave her life to Christ after hearing the gospel.

We prayed for a lady on her death bed; suffering from stomach cancer in the 4th stage. She was so weak and not very responsive due to medication. We told her family of God's love and then prayed for her healing. Before we left she was sitting up but still looking very weak. We then ministered to her directly about how much God loves her.

We just got word this week that she was released from the hospital completely healed and is now back at work. PRAISE GOD! Ladies from the local church where we minister are following up with her as well as with the lady who accepted Christ; they are discipling them. Now that's how it's supposed to work!

We should never allow ourselves to become discouraged when we don't see people immediately respond to the gospel or be healed instantly before our eyes. It takes time for a seed to grow beneath the surface and then sprout up and begin to grow and eventually to bear fruit as well. It may also take time for healing to manifest. I have seen instant healings and other times, like this lady, it sometimes fully manifests later. The main thing the Lord spoke to me about this is, just trust God, pray in faith and trust God. **Trust Him when He said "Lay hands on the sick and they will recover." (Mark 16:17-18)**

We are busy making plans for our trip to the U.S. to minister and share the vision the Lord has given us. We are looking at about \$7,800 in total to make this trip. We must continue to support our children that are staying with another ministry while we are away. We must also pay our rent ahead in order to keep our facility, plus tickets, visa and other travel expense. If you would like to invest in this trip, you may do so at:

<http://www.jdevineminstries.com/partnerships.html>

I truly believe many people will join us when they hear this vision. **Once we purchase the land and build the first phase of the school, it will create such a large stream of income that we expect it to support the majority of the ministry.**

It is through this school as well as the housing necessary to rescue more abandoned and orphaned children that we will impact literally thousands of lives.

We are also looking for people who share this vision to come and join us, either long term or short term. I know there are "world changers" out there just looking for an opportunity like this.

I believe God put in my heart to sign up 300 new partners. Like "Gideon's 300", we will go forward to accomplish this vision to which the Lord has called us and He will be glorified. We are going to see Thailand truly saturated with the gospel as we rescue children and raise up the next generation of bold believers to shine the light of the kingdom all over Thailand.

If you would like to be one of the world changing "Vision Partners" you may do so at <http://www.jdevineminstries.com/partnerships.html>

To all our faithful partners, we say thank you so much.

We also ask you to consider allowing us to minister in your church, Bible study group, Bible school, etc. Please contact us to make arrangements. We don't ask any fees or anything for us to visit and minister, if anyone wants to take up an offering, it is surely appreciated. We are offering to minister as a blessing to you and your church.

Bless you,
The DeVine Family
