"Taking the gospel where it has never gone before"

May 2015 www.jdevineministries.com P.O. Box 7138 Rainbow City, AL 35906-7138

Praise God for His abundant provision! Last month I talked about the steps we are taking to move forward. I presented the needs to take this step and to accomplish all that the Lord has called us here to do. Well, God is providing all our needs! Thanks to our faithful partners and some new partners, so far this month, God has already provided nearly half the cost of tuition for the children. Soon we will be able to order their new curriculum for this year.

It is also time to move forward with the facility for the Home of Hope as well as Grace Christian School; we have been searching for the land to begin the first phase. We have been legally operating under a foundation, however, the Lord made it clear that we need to set up our own foundation in order to grow and to protect our assets.

The legal fees are expensive as well as the required trust account that has to be set up. **AGAIN, WE PRAISE GOD FOR HIS PROVISION!** We received the full amount for this need, almost immediately.

We are now interviewing lawyers with experience in this area to be sure to choose the right one. We are asking God for His guidance to make the right choice, we want to do everything His way.

I also mentioned the need for a van, there are 8 in our family now and it is not possible to travel properly in the truck we have. At least 3 children have to ride in the back and that is difficult when the daily temperature is up to 100 degrees these days. When the rainy season starts, it will be even more difficult. God blessed us to be able to sell some things that we no longer needed so we are saving that money toward the cost of a van. We still need nearly \$28,000 but we know God will provide.

With this many children, it seems we are celebrating a birthday every couple of months. We are so blessed to be able to rescue these precious children, they are a joy. **The first of this month we celebrated Nadia's 13th birthday!** She said she had never had a birthday celebration before; I am so happy we were able to give her the first one.

It is so exciting to know for sure that God is guiding us as we move forward with the vision He has put in our heart. We know that just as surely as God led us to rescue these 4 children, He will surely make a way for us to rescue many more just like them. As I have mentioned before, there are 3 children abandoned or orphaned everyday here in Thailand. God intends for us to rescue as many as possible and raise them with the love and hope that they deserve; raise them to know the Lord and to be the leaders of the future.

Imagine with us what Thailand will be like in just one generation after we have raised up thousands of children with morals, godly character and wisdom who are bold about sharing their faith, laying hands on the sick, casting out demons and raising the dead. I know God loves the Thai people and He wants them to know Him and glorify Him.

We are so thankful for all our faithful partners who share this vision and who help us make all this possible.

Bless you,
