"I was sought by those who did not ask for Me; I was found by those who did not seek Me."

This month we have seen the Lord do so many wonderful things through our ministry. The first of this month we were blessed to work with the Sprecher family. They are missionaries from the US. They share our heart to reach young people, leading them to Christ and discipling them to be the leaders of the future. We believe that these young people will not only be bold powerful leaders in the future, but are also mighty men and women of God now.

Praying at a youth meeting with the Sprecher family

Arisa and Ariya helping with the group

We visited two schools, a church and a youth meeting. Over 1000 young people heard the gospel for the first time. Tunwah and David were called up to pray for the people at the closing of the church meeting. In the youth meeting, David heard the Lord speak to him clearly to share a word with the group. He said to the group, *"God wants you to know that although He hates sin and what it does to your life, He loves you all unconditionally."*

David truly has a revelation of God's grace and unconditional love; he and Tunwah are bold, mighty men of God even now at 6 and 10 years old.

Hundreds of young people listening to the gospel for the first time.

At the table during our devotional time I was explaining in detail about the gospel to the children. As I mentioned the scripture about believing in your heart and confessing with your mouth and you will be saved, Tunwah started to cry. He said, "Daddy, I believed in my heart, but I have never confessed with my mouth. I want to confess Jesus with my mouth and know that my name is in the book of life in heaven." We encouraged him and prayed with him, he confessed that he had sinned and that he wanted to give his life completely to Jesus. We were so blessed to baptize Tunwah and Nadia November 7th. Nadia had received Christ when she was 9 but had never been baptized.

Mew and I were blessed to be able to go to Chiang Mai for 4 days to celebrate her birthday and our anniversary. It was a great time of relaxing and sightseeing.

Mew and Arisa went to visit Grandma and Grandpa for a few days while Grandpa had surgery on his eyes to remove cataracts. We praise God for his speedy recovery and good eyesight for the first time in many years. We have prayed for his eyes many times in the past and his sight improved for a while, but then it would slowly decrease again. Finally, he can see clearly again. Praise God for good doctors and their skill and praise God for complete healing.

Thanksgiving at Chuck and Krissie's

We had a wonderful time celebrating Thanksgiving with good friends in Chuck and Krissie's home. We truly do have so much to be thankful for.

We are especially thankful for all our faithful partners that make all of this possible. Together we are turning on the lights, changing this nation.

God Bless you.
