

Having spent the past 8 years on the mission field, it was so good to be able to sit and be refreshed at the minister's conference.

The minister's conference at Andrew Wommack Ministries was a wonderful time to connect with friends and partners, meet new friends and to get built up with the word.

If you are not familiar with Andrew Wommack, I encourage you to listen to his teachings.

Charis Bible College Woodland Park, Colorado

God opened many doors for us to share about the vision the Lord has given us for reaching Thailand with the gospel.

The girls and I were interviewed by Andrew Wommack Ministries' TV dept. about our ministry.

God has put an amazing plan in our heart of how to take the next step for the Home of Hope. We are preparing to rescue many more abandoned and orphaned children and to build the Christian School to educate and disciple thousands.

We are so thankful to the Lord for providing the way for us to come to the US and get Arisa and Ariya settled and ready to go to college, preparing them for the ministry to which they are called.

Thank you to all our faithful partners for your support, we greatly enjoyed getting together with as many of you as we could. **In the next few months I'll be sharing with you some really exciting news about the plans the Lord has given us for taking the next step with the Home of Hope.**
